

Fundraising Quick Start Guide

Back to School '25

Join us throughout July to fundraise for and spread the word about FTCT's Back to School grants!

Fundraising Ideas

Old School Snack Sale

We're inviting all partners to put on their own version of **this headline event**. Host your own old school bake sale by inviting colleagues to buy or bake some classic school dinner and tuck shop treats to sell in aid of our campaign.

Alternatively choose from the ideas below:

School Picture Day Challenge

Get everyone in your team to bring in a photo of themselves at school age, then see who can correctly guess the most colleagues from their photos.

School Uniform & Toy Swap

Ask colleagues to bring in School Uniform, normal clothing, or toys their children have grown out of, and ask for a few pounds for items taken home.

Pop Quiz Competition

Take a few minutes for a lunchtime quiz contest, asking back-to-school or throwback themed questions. Find out who your office star students are!

Get creative!

Have a coin tower, office talent show, spelling bee, or anything that gets your team fired up! Just let the FTCT team know what you're up to. Email fundraising@ftct.org.uk and we'll be ready to support.
